With the module Cashbook from redoo-networks you get a powerful
Vtiger tool, which can greatly improve your management of incoming and outgoing payments in your company.
It enables the fast and clear recording of bookings with the corresponding receipts in Vtiger based on conditions.
The special feature of the Cashbook module is that your company’s employees can also make bookings via APP.

With the help of a unique OCR functionality, entering and managing bookings with the corresponding receipts can be handled quickly, easily and securely.
