As an example, we will create a report in which we will graphically display the number of completed orders and the totals of those on a monthly basis.

Special requirement for the report will be the time period, the report should concern the year 2022.

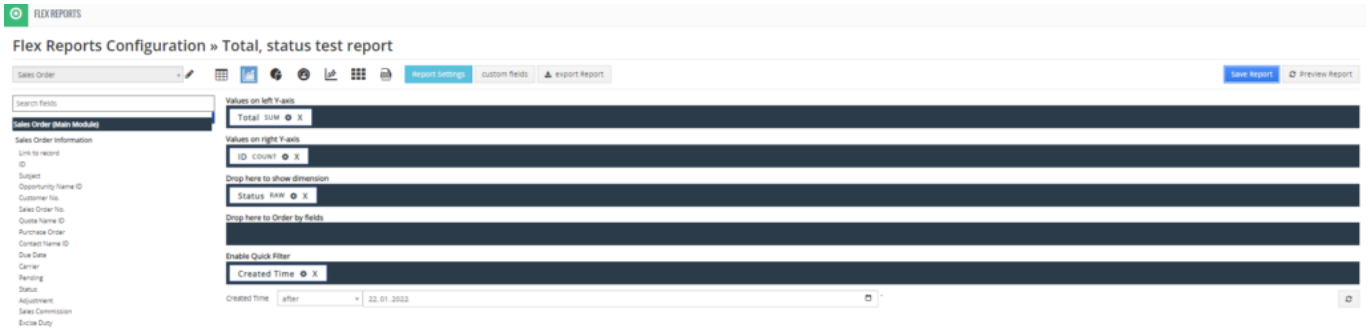

To build the histogram, click on the second type of the report

For the representation we use the following areas:

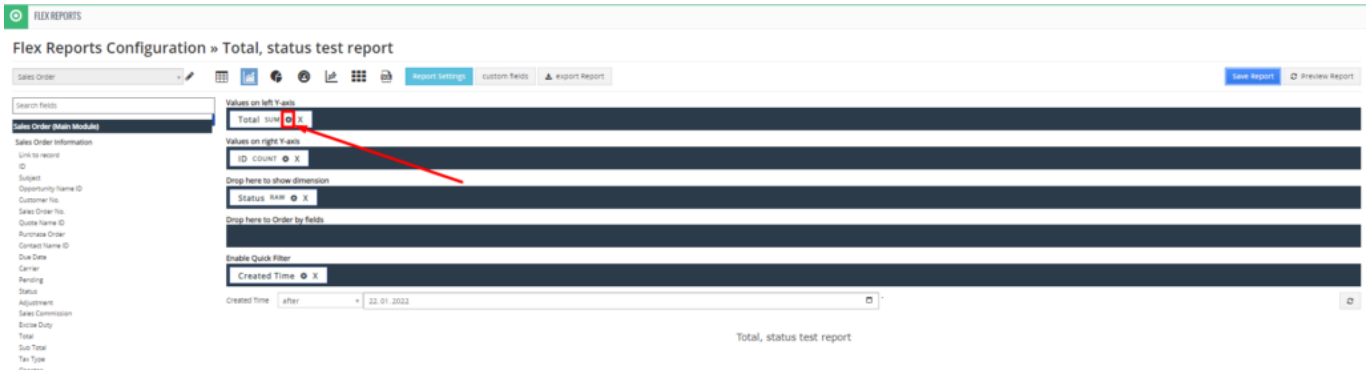

- Values on the left Y-axis
- Values on the right Y-axis
- Drop here to show the dimension
- Here you can sort by fields.
- Switch on quick filter

Drag the fields you want to evaluate to the right side in the appropriate areas so that you get the desired representation.
