All modules have a list view

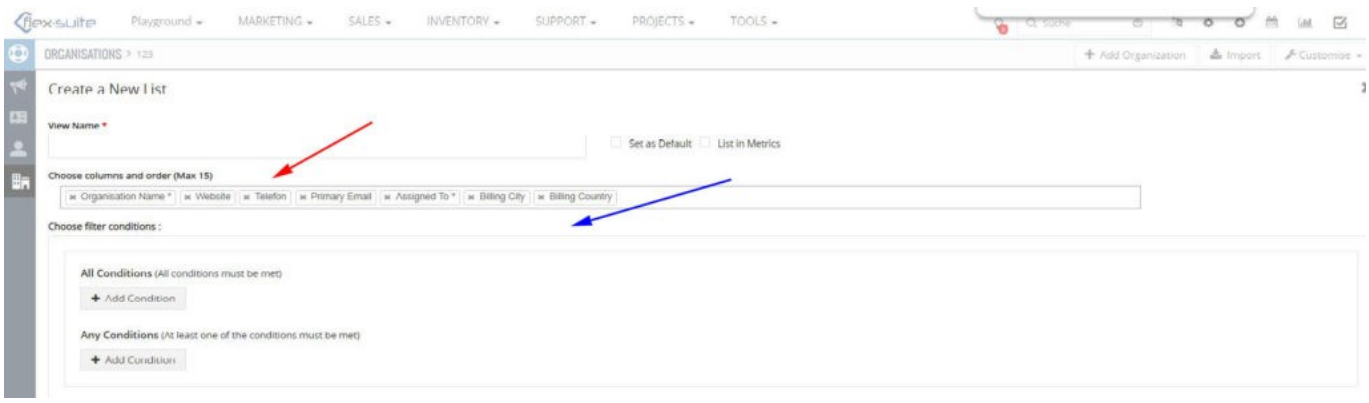

On the left side you can access the list menu where you can configure your list view.

Here you can duplicate the existing lists or create your own by clicking the “Plus” button (→ green arrow) opposite the LISTS menu item (→ blue arrow).

You can also create the list you created by conditions. Select the appropriate area according to your needs:

All conditions (All conditions must be met)

Any conditions (At least one of the conditions must be fulfilled).

Confirm your entries with the “Save” button (→ green arrow)
