You can log in to the app using a QR code from the vehicle and a PIN code. The QR codes for the Flexx.Logistik app can be found on the last page of the PDFs of the planned routes, which can be downloaded from the Route Planning page

Each QR code contains the following information:

- A long-lasting token attached to the route driver
- Vehicle identifier

 Copyright © 2026 Redoo Networks GmbH

- URL of the current logistics system (for example, app.frontend.logistik.redoo.cloud, https://db24dev.frontend.logistik.redoo.cloud/)

A token is a hashed route identifier that becomes inactive after the route is completed.
