

## Playground

### 5. Add playground map

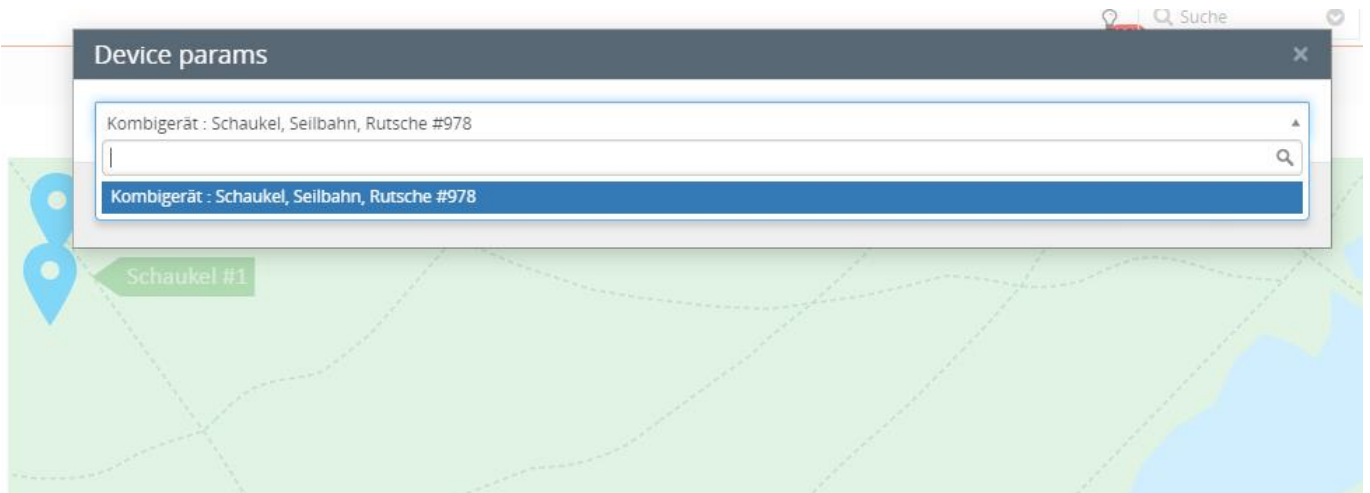

Select your playground from the drop-down menu.  
Then go to Details ( → green arrow ).

Upload your plan picture and documents for the playground.  
Edit the playground plan. Click on the “Edit Plan” button ( → blue arrow).  
In this map you can now add devices.

Click on the location. A window with created devices opens.

Is Your new device in the right place?  
Go to "Save" on the left side of the menu.
