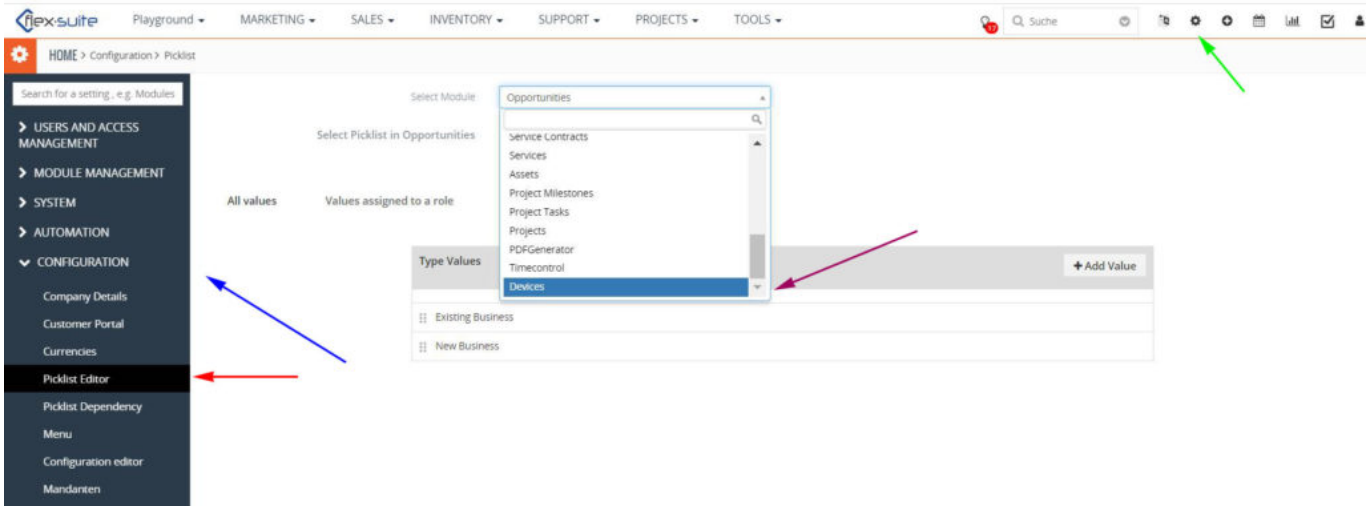
Playground

6. Create Device Categories and Subcategories

Copyright © 2022 Redoo Networks GmbH

Click on the “Settings” sign in the upper left menu bar (→ green arrow).
Now select the “Configuration” area (→ blue arrow).
Then go to “Picklist Editor” (→ red arrow).



Select the “Devices” item in the “Modules” field (→ purple arrow).
Thereafter you get an overview of all existing device types and subtypes.
The fields for the check criteria in the main check are configured as follows

 Copyright © 2026 Redoo Networks GmbH

To add criteria, add a field block to the Review module (Defect Reports).
The name of the block must match the pattern: Criteria – .
It is displayed in the application when the corresponding device type is checked.(→ red arrows).
