

Playground

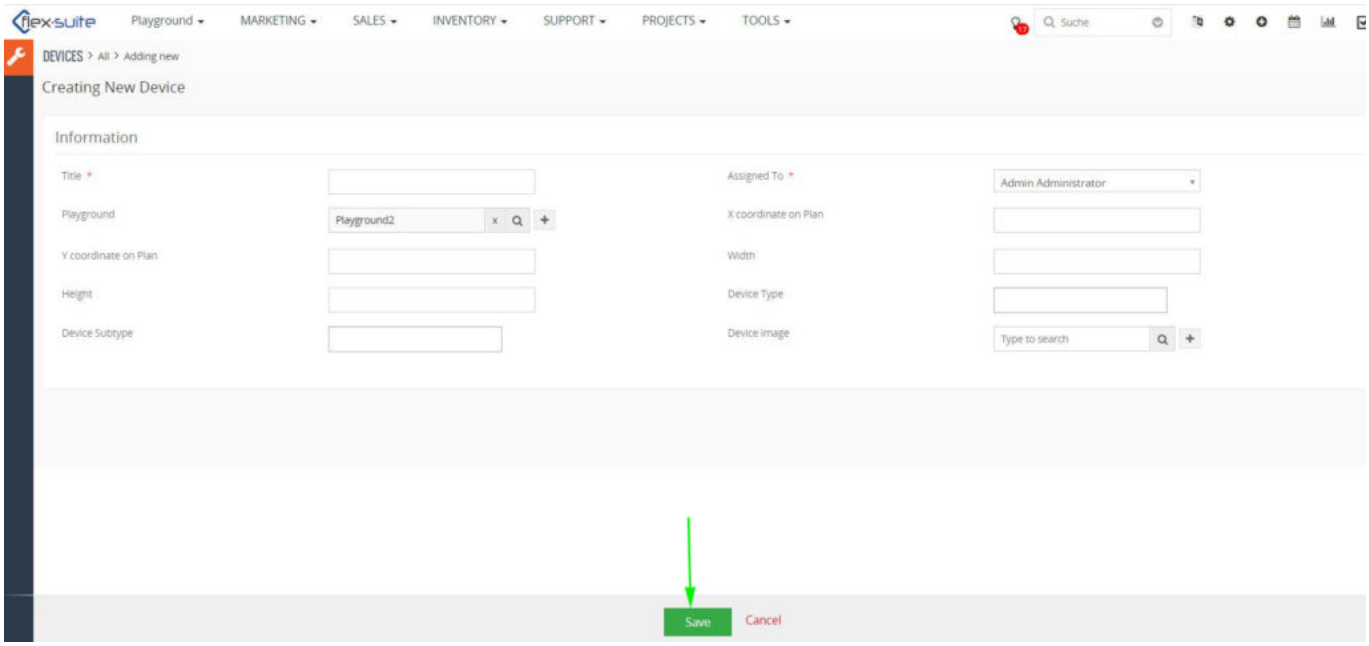

7. Add Device

Copyright © 2022 Redoo Networks GmbH

To add a new device click on the button “Create Device” (→ green arrow).

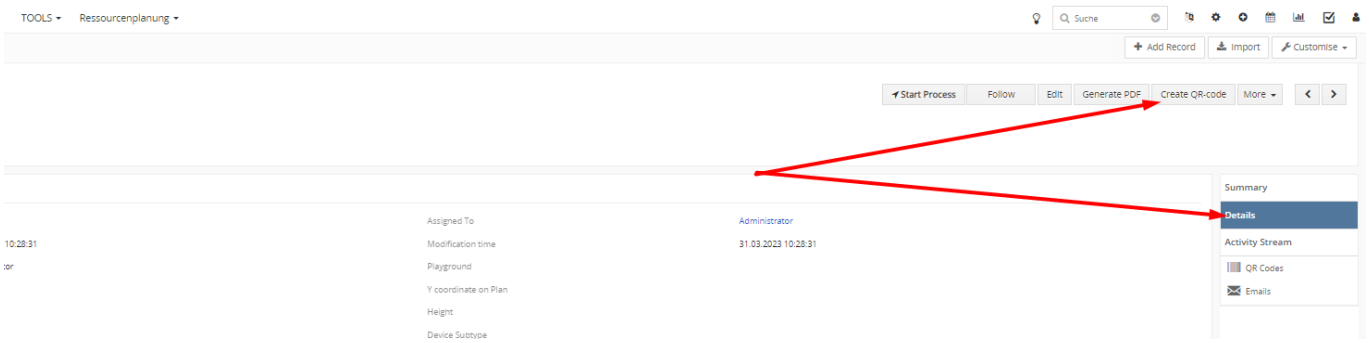

In the opened menu you can enter all information to the device name, type and category.
Always confirm your entries with “Save” (→ green arrow).

A QR code must be generated for each device after it has been created.
To do this, switch to the detailed view of the created device.
