

## Playground

11. Plan an inspection for the web application

Select the desired playground. (→ green arrow)

Then select the "Inspection Plan" tab (→ green arrow) and create a new event.

Fill in the title field (→ green arrow) , select the responsible person in the "responsible " field and the type of event - "inspection" (→ red arrow).

Quick Create Event

Subject \*

21.04.2023 to 21.04.2023

08:13 to 08:18

Assigned To \* Administrator

Status \* Planned

Activity Type \* Inspection

Go to full form Save Cancel

Confirm your entry with the "Save" button. (→ blue arrow)

As soon as the inspection has been carried out, you will find the in the corresponding playground in the navigation area "Inspections" and can view all details, defect reports, etc. As long as the inspection has not yet been performed, it can be viewed under the "Inspection plan" in the playground.
